advised on 11/18	
Informant missed the meeting of 11/15/63 because he and his wife were both ill. He telephones J. P. Ford and was told only a few attended the meeting. They are still picketing the theaters but only two, Lumpkin and Lovett, are doing much picketing. Some of the wives and a couple of members of AGK and some other people not connected with the klans are helping.	
They are supposed to start nominating officers at the next meeting on 11/22 and will have elections about the first of December.	
On 11/23/63 he advised he had missed the meeting on 11/22/63 because he had to work but he was sure none of the local klansmen had anything to do with the assassination. He made some calls and called back saying no indications locals involved.	
<input type="checkbox"/> Informant certified that he has furnished all information obtained by him since last contact.	Rating V. Good
